In two visits I already made Planned Pethood **\$20**. I had a horrible time getting Kroger's website to work when I used Internet Explorer. When I used Mozilla it worked like a gem.

Santa Pictures

Bring your pet(s) to Petsmart to have their picture taken with Santa. For every photo sold for \$9, Planned Pethood gets \$5 donated to us. Photo sessions are every Saturday in December at the Petsmart in Rossford and Airport.

We need volunteers to play Santa Claus' and/or Mrs Claus and photographers for those 4 weekends. Can you help? The costume will be provided by Petsmart, as will the printer, camera and photo paper.

Email morehart@bex.net if you can help take Santa pictures.

You Save Money While Making Money For PPI

Don't forget to get your discount cards to help PPI raise funds for the programs you love.

New Logo & Updated Website

The website has had 99% of its static pictures totally changed. The info remains the same. But to keep it fresh and new, the photos were all updated with animals that have been in the program this year. The website committee said they all felt it was important to make those changes at LEAST once a year. The opening slide show on the home page has changed as well. Look for your little cutie.

You will also notice the new PPI logo on the website and on this newsletter. It's important to keep our image fresh and up to date. As we move forward with printing new paperwork, we will start phasing out the old logo with the new logo. If you have the old logo on your computer, please delete it and start to use the new logo.

Additions over the last year to the website include links about foreclosure, financing unexpected vet care, link to our blog, links to [FaceBook](#) and [MySpace](#), a [Boutique](#) page and a new [Scrapbook](#) page for photos of past events.

Thank you to Deb Gring for creating the boutique page, Sally Wehner for her photos, Molly LaMountain for hunting down almost all the new photos and getting them on the site. Thanks again to Molly for creating and updating the Scrapbook page.

You may purchase 25 Planned Pethood Holiday Greeting cards for \$8 on our website, via PayPal. The cards are blank inside for your personal message.

You are showing your support of Planned Pethood by purchasing the holiday cards. And by promoting an organization that is important to you to your friends and family, our message reaches a wider audience.

Volunteers Needed

To function properly, PPI relies on their corps of volunteers. We have a need to fill these positions.

Volunteer coordinator- communicates with new volunteers about opportunities. Manages a list of volunteers to refer back to when we have a need.

FIXX line coordinator- Offer support to FIXX line volunteers. Manage the group as a whole. Manage the instructional guides.

Craft Show coordinator- Arrange for PPI to appear at various craft show and/or community festivals. Organize the other crafters to pool crafts and items to sell to the public. Price items accordingly.

(dog) event coordinator- schedule volunteers to drive the truck, set up adoption events on Saturdays and ensure our equipment is secured.

A Walk in the Park Nets Bucky a New Home!

Judy S's foster Buddy aka Bucky has been adopted! Buddy is probably between 8 and 10 years old He was returned to PPI by his lifelong companion who had to move to an apartment - one that would not take dogs .

This is what makes our day! This keeps you going! Yeah, for Buddy! During the home visit the volunteer remarked she lost count but guessed there were 100 toys laying around for the other dog! Buddy hit the jackpot!

Buddy was spotted while Judy was walking him at the park. And the rest, as they say, is history.
