Mission Statement:

To reduce the overpopulation and suffering of dogs and cats through education and low-cost spay/neuter programs and to rescue, vet and place adoptable dogs and cats into good permanent homes.

Update From The PPI Board

The good news is that we have paid off all our past due bills. We are still working on getting an adequate cash reserve. This is in the event of an emergency like car repairs, sick animals or an insurance claim. The tightening of our financial belts has been working.

However, it is important we remain on the course already set forth for the next month, minimally. This will get us in a better position to address kitten season and the usual spring rush to return animals back to the adoption programs. While not fun, our volunteers have been doing an admirable job by working within our limited budget.

It's important to note how vital your help has been. We hope you find some of the upcoming fundraisers fun and you would want to participate. Thank you for your help in good times and challenging times.

Round Robin Discussions

The two sessions brought out some wonderful conversations and great ideas. The discussions also brought out ideas for fundraising. We practically have the year of 2015 planned for fundraising. Stay tuned for details as they unfold. The participants did not see the need for follow up meetings.

Macey's story

It was love at first sight when Macey, a 2 year old shih tzu, first met her adoptive family.

Jim, Polly, and their dog, Miley, came to meet Macey at an adoption event at Petco in Toledo. Macey's kisses flowed freely to Jim and Polly, and Macey and Miley seemed to get along well. At that point, Jim and Polly knew that they wanted Macey to join their family.

The following week, their wish came true. They made it official and Macey came home to start her new life in Erie, Michigan. She went from being a homeless dog to being a member of the family, enjoying her new life, especially her doggie sister, Miley. The two played and played as if they had known each other for years.

Five days after being adopted, the unthinkable happened. Macey and Miley were let outside for potty time, and Macey took off. [>> Read more about Macey's exciting story . . .](#)

2015 Paw Hoorah

It's that time of year when we come to you your assistance with Planned Pethood's signature fundraising event, Paw Hoorah! If you're a previous donor, you know how much we appreciate and need all the assistance you've provided. If this is your first time

hearing about this event, we thank you in advance for helping us care for those with no voice...the homeless animals of NW Ohio.

Last year, we netted over \$60,000 towards saving the lives of animals in need. The Paw Hoorah! is a fun evening of socializing, eating and bidding on spectacular and unique items donated by people and businesses all over our area

and beyond.

Planned Pethood is in the 36th year of supporting our community and the animals. We can only provide the services we do with the vital help we receive from our sponsors. We are asking for your help!

How can you help?:

- + Your sponsorship dollars help underwrite event expenses.
- + Sponsors ensure that all funds raised from ticket sales and auction items benefit the animals directly.
- + Details on levels of available sponsorships can be found [HERE](#).
- + We need and want your presence at the Paw Hoorah! to share the excitement and fun! Tickets purchased before 4.1.15 are \$65. Thereafter they will be \$75. Get yours today [HERE](#).
