Book Fair and Bake Sale

Save your books, magazines, sturdy boxes and paper bags for Planned Pethood's Book Fair.

The book center will be operated by Planned Pethood from July 1, 2011 to September 30, 2011. Through our volunteer efforts, we will receive 50% of the monies donated & 50% is contributed to Read For Literacy which helps hundreds of people learn to read. **On Saturday, September 17 and Sunday, September 18 PPI will get 100% of the donations made.**

We cannot accept: damaged/musty smelling books, Encyclopedias/Reference books, Text books, Readers Digest Novels & Magazines, National Geographic Magazines, Magazines over a year old, Books on tape, Albums & Movies Catalogs.

Can you . . . Help Us Set Up?

We need help Friday, September 16 to move the books from our storage unit in Maumee to the 577 Foundation. We will also need help setting the books out on tables in preparation of the sale the next morning.

Can you . . . Help During The Sale?

We need help during the sale on Saturday, September 17 and Sunday, September 18. Reshelf books, help customers, sale bake sale items, sell books, offer information about PPI (as you are comfortable).

Can you . . . Contribute to our Bake Sale during the Book Fair?

During our Book Fair we will also be raising funds with a bake sale. Can you donate your goodies to us? Email puppy.foster@gmail.com to sign up for the bake sale and for further details.

Estate Sale

Planned Pethood has been selected by the trustees of an estate to help the estate and the family to empty the deceased person's house. We take the items we have selected to sell, box and transport via a moving truck to a separate location where the actual sale will occur.

The attorneys of the estate will look in each box to ensure we have not accidentally taken family photos or personal papers. Volunteers will act as a sort-of 'bucket brigade' packing boxes, removing from the house and packing into a truck(s). Volunteers are needed to help set up for the sale, during the sale and to take down after the sale.

Dates you are needed:

September 23 & 24: Selecting Items to sell and empty the house.

September 25- 29: Set up for sale.

September 30 - October 2: Actual sale

October 3-7: Take down and clean up

Can you help us raise funds to continue our good work in our community? Contact puppy.foster@gmail.com if interested.

With PPI since 2008

Check out Haven. She has had a rough go of it and has been overlooked time and again. She is a very sweet dog looking for a forever home. You can see her by clicking [here](#).

Sweetie

Sweetie was born under a trailer with her three siblings. A kind woman who had been feeding the momma was keeping a close watch on her and the litter. At 4 weeks old, Sweetie contracted an infection in her left eye, then her mamma moved the siblings and left her behind. The eye could not be saved, so it was removed. Sweetie bounced right back from surgery and continues to be the happy, playful and curious kitten she was before being rescued. She won the hearts of her caretakers at the clinic and is affectionately known as 'Sweetie Cupcake'.

Sweetie has been adopted. But your donations are still needed to pay her vet bills. You can do so by clicking [here](#).

Kiki

Kiki is a beautiful, loving calico cat. Abandoned by her owners and living on her own she gave birth to 4 gorgeous kittens in early spring. Thankfully a kind woman found her and the newborn kittens in her yard and took them into her home. She allowed Kiki and the kittens to stay there until the kittens were weaned and then made an appointment to surrender them to a local shelter as she could not afford to keep them. She was not aware that she was taking them to a shelter where they were at high risk of being euthanized. Fortunately, Planned Pethood intervened and took them into our adoption program. While Kiki was being vetted and spayed at Humane Ohio the vets discovered a bullet lodged in her right shoulder. They were able to remove the bullet and repair the affected area.

It goes without saying that Kiki's life has been a difficult and dangerous one. She is a sweet and gentle cat and it is Planned Pethood's hope that she can spend the rest of her life in a safe and loving home and that her kittens can be spared the hardships that she has experienced.

Can you help Kiki by making a [donation](#)? Or perhaps you are interested in adopting Kiki!

New Policies

The Planned Pethood board is working on policies

regarding conflict of interest, how do employees and board members report conflict of interest and how do we handle potential conflicts. Also under construction are policies about whistle blowers, document destruction and retention policy and expectations of board members and the consequences if those expectations are not met annually. Be on the look out for those.

Keep Your Old Dog Tags

When you get your new dog tags in January keep the old ones on too. If your dog gets lost, the vets or emergency clinics might not have the latest information from the dog warden offices yet. However they can look up your contact information from last year's tags.

While we are at it, we see quite a few stray dogs and lost dogs. It's important that your dog wears its collar and tags all the time. You might be surprised how many stray dogs are picked up smelling fresh and pretty. Their humans removed the collar when giving the dog a bath and Fido gave them the slip. The advice from us Nervous Nellies- wash the collar on the dog while you're washing the dog.
