

Our New Van!

Planned Pethood was able to purchase a new to us van. This purchase was made possible through a grant from Petco. This grant was written by Jane Holman. Thank you Jane for another stellar job.

Ron Brown has already out rigged the van with all the gear the cat adoption program needs to get new homes for cats.

This purchase happened just in the nick of time too. We were in the process of purchasing the new van when the old van conked out while in Ann Arbor.

Thank you to Yark Automotive Group for finding us a suitable replacement. In fact it's an upgrade. Thank you to Craig Jacobs for getting the title work completed and transferring the plates from the old van to the new van. Thank you to Petco in Ann Arbor for keeping a watchful eye out on our abandoned van while we figured out what to do with it. Thank you to Carol Dunn for finding a final resting place for our dead van.

We depend on you!

Please remember Planned Pethood needs donations. December and January are months when we have year end bills to settle and very little income. We need your help to continue into 2012. Your donation will go directly to helping the dogs and cats of northwest Ohio enjoy the greatest gift of all, another chance at life!

Thank you for helping us to help them!

Attention ALL Volunteers

You and a guest are invited to the Volunteer Appreciation Party. We celebrate our successes over 2011. We eat. We discuss what's in store for 2012. We talk. We laugh. We can finish a conversation with interruption or dogs barking in the background.

You need to be there!
