

## UPCOMING SUMMER HAPPENINGS

**Can't foster? Can't commit to a large chunk of time? No problem!**

### **Single Serving Volunteer Opportunities**

1. Some events in this eNewsletter are great places to work with your tweens /teens alongside you.
2. Some events are a fun to do with friends
3. One great thing is that these tasks raise a lot of money and awareness for PPI but don't cost us anything other than the volunteer time.
4. Your help is needed badly. As you can see we have three big events the first weekend in June. So I need as many people as possible.
5. I call these events "Single Serving" because you are only committing to one event at a time.
6. Please! I'm down on my knees begging you!

--Nikki  
Executive Director for Planned Pethood, Inc

## Toledo Harley Davidson Concert

We supply the volunteers to work the concert. Toledo Harley Davidson gives us a *generous* check. Volunteers get the chance to people watch, enjoy the concert for free and get a free meal too. It's a win-win-win!

Volunteers do tasks like:

- Check IDs
- Sell beer tickets
- Pour beer
- Direct people where to park their cars

Volunteers must be 21 or older to pour beer, check IDs or sell beer tickets. Sorry, you can't drink alcohol while you are working. Shows are rain or shine. If show is canceled we will announce it on our website and Facebook by 4pm that day.

Slaughter will be the group playing on Friday with tribute bands playing a free concert on Thursday.

It's necessary that we have the proper number of volunteers, so please only sign up if you know you can commit. It's a blast of a time!!!

***These concerts are where we have the largest need.***

## Take A Day at the Book Center

The book center at the 577 Foundation will be operated by Planned Pethood from July 1, 2011 to September 30, 2011. Through our volunteer efforts, we will receive 50% of the monies donated & 50% is contributed to Read For Literacy which helps hundreds of people learn to read. On Saturday, September 17 and Sunday, September 18 PPI will get 100% of the donations made.

Volunteers are asked to spend 60-90 minutes a week, on your appointed day to re-shelf books, sweep the floor and tidy up the book center. Your 60-90 minutes can be whenever you choose: morning, afternoon, evening; you decide.

We need someone every other day- at the least. We are hoping to have someone say they will take every Monday in those three months. Then someone who will take every Wednesday. And so on and so on. We will have a substitute on hand for the few days you might be out of town.

This is a great opportunity for a family looking to do something together, a retired person, a couple, a person looking for some quiet time, anyone!

Email [ed@plannedpethood.org](mailto:ed@plannedpethood.org) with the day of the week you are willing to take.

And don't forget to save your books for our sale in September.

### Lunch Box

If you are looking for a big old lazy cat, then Lunch Bucket is the one for you. He manages to be a good boy despite being returned to PPI twice. Both times his owners fell on bad times and couldn't keep him. Lunch Bucket doesn't act old because he plays with kitty toys and his all time favorite treat is catnip. He tolerates the other cats in his foster home, but would prefer to be the only feline or just have one or two others in his new home. Lunch Bucket is 9 to 10 years old, so he qualifies for our senior for senior discount. Humans 60 years or older adopting a cat 5 years or older will receive 50% off of the adoption fee.

## Dirty Harry

Dirty Harry is a 1 year old lab mix that was found as a stray playing with the neighborhood kids. He is very friendly, gets along great with dogs & cats and is great with the resident toddler. He is housebroken, crate trained, walks well on a leash and does great in the car. He knows how to sit and shake. He is very laid back and friendly, and would make an excellent family dog!

# Thank YOU

Thank you for the wonderfully generous donations of items we sold at our rummage sale. It takes several people 4 days of 10 hour days to set all the items up on tables and get them priced.

Thank you for all the donations. And for all the help. Without all the help that our loyal supporters provided, we couldn't have done it.

We still have some garbage to clean up. And we still have a few items we will sell online. Our total amount made will grow larger as those items sell. So far we made over \$6000.

The items that did not sell were donated to the Cherry Street Mission. As the gentlemen were packing up their truck (twice) they shared some stories about how our donation would be used in their mission work.

Prior to our donation to Cherry Street Mission, Planned Pethood set aside most of the sheets, towels and blankets for use by Humane Ohio and the Lucas County Dog Warden. We are honored to help our brethren.

EVERYBODY- Thank you for your donations. Thank you for your service hours.
