## More Animals Saved

### Adoption Figures for 2010

When the market crashed in 2008 followed by raising unemployment and foreclosures, rescues across America felt the pain. It's only been recently, adoption numbers have started to creep back to "normal". Whatever that is. This year is the first year since 2008 we have not seen a decrease in our adoption numbers. There is hope. Thanks for enduring the tough times with us.

- 836 cats adopted
- 405 dogs adopted
