Emma Hope's New Start

In May 2015, a sweet Great Dane mix puppy came to Lucas County Canine Care & Control. The 2 month old pup was in rough shape. The majority of her tail was missing, and the remaining part was not attached to her body properly. In addition, she had experienced what looked like severe trauma to her anus. She was incontinent, and a large, raw wound surrounded the entire anal area. Despite her condition, she carried on like a normal, happy pup. She was sent to a foster home to begin healing, with a very uncertain future. Her foster mom named her Emma Hope.

Emma Hope began treatment to heal her wound. She received a series of laser treatments to help move her recovery along. It was determined that she likely would never be adoptable, as she had no control over her bowels. The option of euthanasia was discussed on multiple occasions.

Foster mom set out to find a sanctuary for Emma Hope. She wanted her to be able to live a full life, even if it wasn't a completely normal life in a home with a family. She waited with anticipation for someone to say "yes" to Emma Hope. On August 1st, prayers were answered when Emma was accepted, without hesitation, by the director of The Devoted Barn in Newport, Michigan. That evening, Emma visited the sanctuary and met the many horses, goats, pigs, dogs, and other animals who were all living at the sanctuary. She

seemed to fit right in and was officially accepted. The future was looking bright for Emma Hope.

Upon receiving the good news, Emma was scheduled to be spayed and to have her remaining piece of tail amputated. Once she recovers from surgery, she will take up residency with other animals that are just like her. She will enjoy a great deal of human interaction from volunteers and will receive good care for the rest of her life.

Words cannot express our appreciation for our rescue partners and our veterinarians. Planned Pethood is asking for financial help to cover Emma's veterinary care and to send funds with her to The Devoted Barn as she begins her new life in Michigan.

Thank you to those who have donated a total of \$770. If others would like to help us reach our \$2,000 goal you can do so by donating [HERE](#).

If you haven't already done so, go to Kroger.com, click on the Community tab, then go to the Community Rewards page. Sign up is easy and the animals of PPI will immediately feel the benefit of Kroger's generosity.

It's always a pleasure to hear from you. Feel free to drop us a line with news on your pets and your spay/neuter successes. You can also share our news by sharing our newsletter or sharing our events on Facebook.
